

I Am Always With You

Psalm 55, 6

When I am gone, release me let me go.

I have so many things to see and do,

You mustn't tie yourself to me with too many tears,

But be thankful we had so many good years.

I gave you my love, and you can only guess

How much you've given me in happiness.

I thank you for the love that you have shown,

But now it is time I traveled on alone.

So grieve for me a while, if grieve you must

Then let your grief be comforted by trust

That it is only for a while that we must part,

So treasure the memories within your heart.

I won't be far away for life goes on.

And if you need me, call and I will come.

Though you can't see or touch me, I will be near

And if you listen with your heart, you'll hear

All my love around you soft and clear

And then, when you come this way alone,

I'll greet you with a smile and a "Welcome Home".

“WHERE THE WHITE DOVE FLIES”

Where the White Dove flies

I am free tonight..

the Holy Spirit guides me

on my “victory” flight.

Everywhere I look

I see clouds of white

and angels rocking babies

...what a glorious sight!!

I can rest in peace

because my soul is free...

there's nothing like this feeling

as the "LIGHT" embraces me.

The reverence that I feel

is beyond belief...

the White Dove has brought me

to the Saviour's feet!!

There's no pain to bear,

no more tears to cry...

I'm finally "home" in heaven

where the White Dove flies.

“LOVE is in the AIR”.

THE RAREST DOVE OF WINTER WHITE

SOUGHT REFUGE

FROM DECEMBER NIGHT

INTO A STABLE WARM HE FLED

AND NESTLED NEAR

A MANGER BED

A TINY HAND TOUCHED FEATHERS WARM

AND BOTH SLEPT SOUNDLY

IN THE STORM

THERE CAME A WHISPER SOFT AS FLEECE—

“YOU TOO SHALL BE A SIGN OF PEACE.

MY SON WILL SHOW A WAY OF LOVE

WHEN MEN SEEK REFUGE—

LIKE A DOVE.”

Fly Me Away

My time here with you

Has come to an end

I must travel on

Gods will to tend.

So, fly me away

Little bird of white

To his loving arms

And into the light.

Through peaceful valleys

I now can walk

And hold Gods hand

As we talk.

Before me no troubles

No strife no plight

And with god's soft touch

No fears in the night

Carry Me Home

My loved ones do not cry

And worry of me

For like the dove

I have been set free.

God has called me

To my mansion on high

Just there among the clouds

In the deep blue sky.

I have no pain

No suffering to do

I have been called home

And I know you will too.

So beat hard and fast

Little wings of white

And carry me home

Before the night.

Little white bird

Lay here softly little bird of white

For you, no more flying or cooing in the night

Your perch will set empty

With feathers abound

Your life has ended

I had to put you down

So lay here softly

in the shade of your tree

The one you flew to

When I first set you free

Tomorrow at dawn

When the wind is light

You can see your flock

High in flight

So sit on your new perch

In the heaven you've met

For the white on your wings

I'll never forget

Little Dove

On the wings of this white dove

I'll set your spirit free.

Up into the big deep sky,

to heaven, where you'll be.

I know God has a plan for us,

he wants us by his side.

But it is hard for us to understand

when we are left behind.

Little dove, help lift our hearts

as we watch you go,

God is there if we just ask,

because He loves us so.

The Dream Merchant

*Hear the sound the white wings make
and feel the love in your heart you take*

*Our hearts are one our time is free
so much i love you and you love me*

*You gave me your heart and you have mine
and now we are one forever in time*

*Hold me tight and feel my love
as we watch the flight of doves above*

*We will always be one in our hearts forever
our love strong never to sever*

*So lets hold hands and walk in the sun
as for us life has just begun*

Wait For Me

*Remember mom's smile
And her love of all things
Bright red flowers
And the dove's white wings.*

*Through time she travels
To do God's will
Such a beautiful face
I can see it still.*

*Of all things proper
She filled her heart
And God's love was there
From the very start.*

*Today we rejoice
As we set this dove, free
She has met her savior
Mom wait for me!*

Here are the words:

Fly by Celine Dion (Falling Into You CD)

Fly, fly little wing

Fly beyond imagining

The softest cloud, the whitest dove

Upon the wind of Heaven's love

Past the planets and the stars

Leave this lonely world of ours

Escape the sorrow and the pain

And fly again

Fly, fly precious one

Your endless journey has begun

Take your gentle happiness

Far too beautiful for this

Cross over to the other shore

There is peace forever more

But hold this memory bittersweet

Until we meet

Fly, fly do not fear

Don't waste a breath, don't shed a tear

Your heart is pure, your soul is free

Be on your way, don't wait for me

Above the universe you'll climb

On beyond the hands of time

The moon will rise, the sun will set

But I won't forget

Fly, fly little wing

Fly where only angels sing

Fly away, the time is right

Go now and find the light.

When I am gone, release me let me go.

I have so many things to see and do,

You mustn't tie yourself to me with too many tears,

But be thankful we had so many good years.
